

**The Lake Grove Summer Recreation Program** is limited to the residents of the Incorporated Village of Lake Grove and accommodates 150 campers. The children must be currently attending grades K- 6 and fall between the ages 5-12 years old.

The Program is offered as a service to the community in an attempt to provide the children with opportunities for social interaction, cultural awareness and physical activity.

The Program runs for a five week period. The general hours of operation are 9a.m. to 12noon, five days per week, and can extend beyond these hours on field trip days. The field trips may include venues such as the beach, amusement parks, museums, and the aquarium among others. Our Recreation Hall serves as a useful asset to the program. Here, the campers put on a talent show that is presented to family and friends at summer's end, watch movies, do arts and crafts, and play board games etc. Outdoors, the children engage in a variety of sports such as basketball and softball. Special events are scheduled throughout the course of the Program. In addition, we invite local agencies such as the Fire Department and the Police Department to bring matters of general safety to us via a variety of presentations to our campers.

The Program has become so popular we are now using a lottery drawing system (by family) to be fair to everyone while being mindful of space limitations.
